

### **What is ANGEL FOOD?**

Angel Food is a food outreach program designed to save families at least 50% on their groceries, while encouraging the building of relationships with their neighbors in the community. The regular \$30 box contains 14-16 food items that would retail for \$60-70. There are no qualifications...if you eat, you qualify.

### **Who can participate?**

Everyone from the affluent to those with struggling budgets can participate in Angel Food. And the minimal profits in each Angel Food box sold support this program or those who can't afford to buy a box. If you prefer not to buy for yourself, we welcome donations from "Angels" to help a neighbor in your community.

### **How do I participate?**

You can view the current menu at ([www.projectfuturedesign.com](http://www.projectfuturedesign.com), click on Angel Food) or at our office at 4501 W Expressway 83, Suite A (the west section of office space inside Faith Pleases God Church). Simply place and pay for your order online or in person during the order period and then pick it up on the 4<sup>th</sup> Saturday (in Nov. & Dec. it's the 3<sup>rd</sup> Saturday). If you don't have Internet access, you can phone in your order using a credit/debit card: 412-5600. If you use cash, check or the Lone Star card, orders must be placed in person.

### **How does ANGEL FOOD achieve this?**

Angel Food Ministries in Georgia is a non-profit organization that buys in huge quantity directly from the food manufacturers. The food is distributed through a network of volunteers known as "host sites", so there is no middle-man markup. Unlike a traditional grocery store, AF doesn't maintain inventories, expensive stores or large employee bases. And we rely primarily on word of mouth advertising. We're in it for you, not for a profit.

### **You mentioned building community? How?**

Picking up your food at our host site is almost like a community party. People begin to know each other and meet new friends. Other people donate their services (hair stylists, medical or employment services, etc.) Prayer is available if you're going through tough situations. Many love the program so much they begin helping! Angel Food feeds both the body and the Spirit.

**Welcome to the Angel Food family and enjoy the program!**
